Integrating Wellbeing with Recovery

- Building blocks for recovery are linked to the vital conditions for health and wellbeing.
- Keyed to actionable, measurable structure
- Connection and alignment of complex systems and programs in the recovery ecosystem.

NRV Recovery Ecosystem = Partnerships

The NRV Recovery Ecosystem received \$3.3 million in Opioid Abatement Authority funding in FY23 to address the impacts of substance use disorder in our region, bringing together Floyd, Giles, Montgomery, and Pulaski counties, the city of Radford, and partnering service agencies.
